

src/rov\_control/include  
/rov\_control/gamepad\_parser  
\_node.hpp

```
graph TD; A["src/rov_control/include  
/rov_control/gamepad_parser  
_node.hpp"] --> B["rclcpp/rclcpp.hpp"]; A --> C["sensor_msgs/msg/joy.hpp"]; A --> D["geometry_msgs/msg/twist.hpp"];
```

The diagram illustrates the include dependencies of the file `src/rov_control/include/rov_control/gamepad_parser_node.hpp`. Three blue arrows originate from the bottom edge of the top box and point to the top edge of each of the three bottom boxes, indicating that the top file includes the three bottom files.

rclcpp/rclcpp.hpp

sensor\_msgs/msg/joy.hpp

geometry\_msgs/msg/twist.hpp
