

hardware\_interface  
::SystemInterface

```
classDiagram
    class hardware_interface_SystemInterface["hardware_interface::SystemInterface"]
    class rov_control_ThrusterHardwareInterface["rov_control::ThrusterHardwareInterface"]
    rov_control_ThrusterHardwareInterface --|> hardware_interface_SystemInterface
```

The diagram illustrates an inheritance relationship. At the top, a white box with a thin black border contains the text "hardware\_interface::SystemInterface". Below it, a gray box with a thin black border contains the text "rov\_control::ThrusterHardwareInterface". A blue arrow points from the top of the gray box to the bottom of the white box, indicating that "rov\_control::ThrusterHardwareInterface" inherits from "hardware\_interface::SystemInterface".
